

## **Groove Twists and Spots**

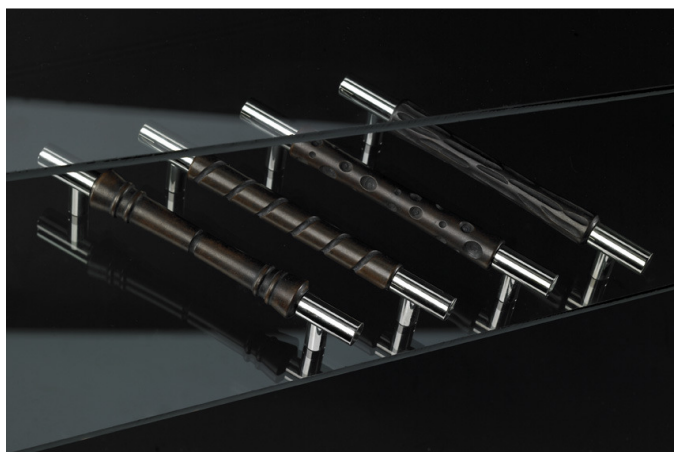

Hot on the heels of Turnstyle's new range of Recess composite door levers and door pulls, come a comprehensive range of furniture handles to compliment the designs.

Simple brass end sections, with 128mm centres married with five distinctly different grip designs in Turnstyle's eight standard composite finishes, including the recently introduced Cocoa (shown here).

Designs include Rough Cut, Ring Tail, Spot, Groove, Twist and the recently added Shagreen. The range of furniture handles also include T bars, Knobs and Cup Handles (shown here in Alupewt ).

The wide range of finishes and designs offer the designer broad pallet to work with for any type of furniture in a breadth of styles.
